

# ARISTOI CLASSICAL ACADEMY

---

## **Mission**

Our mission is to provide students with an academically challenging Classical Liberal Arts education that encourages them to develop a passion for learning and that gives them the means to become responsible citizens of virtuous character.

## **Vision**

Aristoi Classical Academy aims to graduate young men and women who seek the truth in all things; who understand that learning is a life-long pursuit; and who listen carefully, reason critically, communicate clearly, and write persuasively. We desire them to be honorable citizens who seek to improve their communities and the world rather than passively traveling along the road most followed. We desire to cultivate in our students the virtues of courage, moderation, and wisdom. We aim for them to be humble and magnanimous when dealing with others. We seek to help each student become who he or she is meant to be.

## **Philosophy**

Aristoi's philosophy is to provide a disciplined culture of excellence that fosters intellectual curiosity through a partnership with the students, their parents, and the community. The School requires a rigorous pursuit of knowledge, teaches the habits of hard work and perseverance, and develops students who embrace truth, goodness, and beauty.
