Dear ACA Families,

Welcome new students and welcome back returning students to the 2011-2012 Aristoi Classical Academy school year! The start of each school year is exciting because of the energy our students, staff, parents and community members bring to it, and all the possibilities that working together provides. Our classical school mission is to provide our students with an academically challenging education that helps them develop a passion for learning. We look forward to working with you to whet their appetites as we spread knowledge before them and let them feast!
