Dear Kindergarten Parents,

Welcome to Aristoi Classical Academy! Kindergarten is an exciting and foundational year of reading, stories, pictures, concepts, images, and imagination. A classical education is a process that trains a child to grasp facts and express them in their own words. We look forward to working with you to whet their appetites as we spread knowledge before them and let them feast!

With this goal in mind we have planned three events for information to get your child's educational career off to a great start. In order to keep numbers manageable we have staggered the meeting times for Kindergarten, early elementary and junior high.

Occasion:      Parent/Teacher Orientation - **parents only, please do not bring children**
- 3<sup>rd</sup> Event**      Date:            **SATURDAY, AUGUST 20, 2011**
