

Student Parking Lot Agreement

Waiver of Responsibility

2023/2024

Parking on Aristoi Classical Academy campus is a privilege extended by the school and may be revoked at any time as deemed appropriate by the administration.

High School students who will be driving to and from school in personal vehicles must:

- Complete Student Driver Informational form
- Submit proof of insurance and driver's license to Dean of Students Office
- Pay parking permit fee **\$25 by check or cash only**
- Read, sign, and return this form – Student Parking Lot Agreement/Waiver of Responsibility
- Display the student parking permit on rearview mirror (this permit is only for vehicles assigned)
- Park only in the designated parking space indicated on parking tag
- Adhere to Aristoi Classical Academy parking rules. Refer to **2022/2023** Parent-Student Handbook on this topic: STUDENT DRIVING AND STUDENT PARKING

Failure to obtain the required permit and/or park in an approved parking space may result in the loss of parking privileges and other appropriate disciplinary action. Loss of driving privileges does not allow another student driver to drive the offender's vehicle while he/she (the offender) rides as a passenger.

Vehicle Search

Vehicles parked on school property are under the jurisdiction of Aristoi Classical Academy and the City of Katy. A student will be held responsible for any prohibited objects, substances or paraphernalia associated with tobacco, alcohol, drugs, or weapons that are found in his/her vehicle and will be subject to disciplinary action.

Searches of vehicles may be conducted any time there is reasonable suspicion to do so with or without the presence of the student. The school reserves the right to search any vehicle if reasonable suspicions exist. If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the school shall contact the student's parents or a local peace officer.

Protecting Valuables

A student has full responsibility for the security of his/her vehicle and will make certain that it is locked and that the keys are not given to others. Students should secure their vehicles and not leave any items of value visible from the outside. Aristoi Classical Academy is not responsible for any items that are stolen or any damage that may occur to vehicles while parked on campus at any time.
